NOVEMBER 2009

AGM

THURSDAY 26th NOVEMBER

AT

THORPE St. ANDREW FC

LAUNDRY LANE

NORWICH

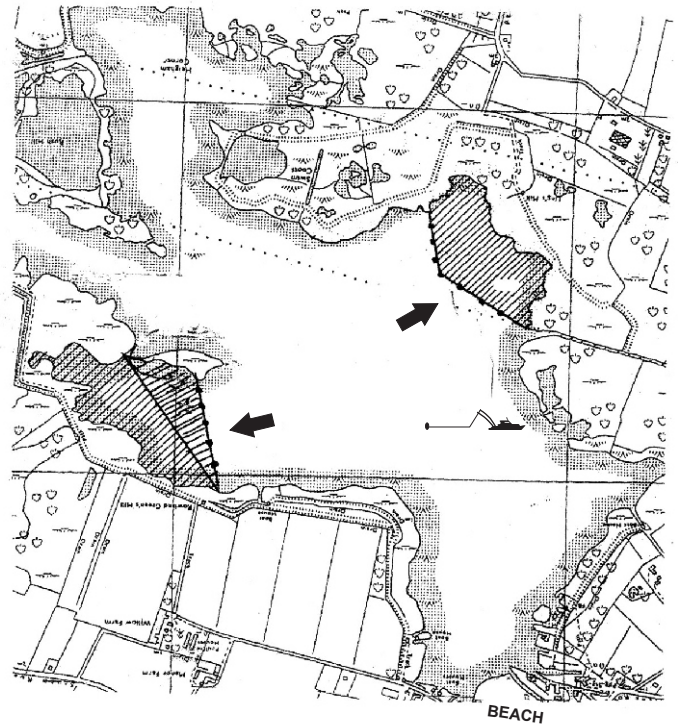

7.30 for 8.00pm

This will be the twenty fourth annual general meeting. Over the past twenty five years the sport has seen huge advances in the technology and materials used in the manufacture of today's windsurfing kit. Learning is easier and the sport is more family orientated with registered schools offering coordinated instruction worldwide.

Here at Hickling we owe a great deal to those founder members and trustees who worked hard in the early days to obtain and develop what we now take for granted, namely the club car park and private access to the broad. Whilst we reflect on the past it is important for the club's future that members attend this meeting and provide active support in order that we continue to thrive for the next twenty five! If you would like to be more involved in the running of the club then please make yourself known before the meeting starts. Renew your subscription on the night and you will be entered into a draw for a **free membership** for next year.

WINTER EXCLUSION ZONES

From **1/11/2009** until the **28/2/2010** the areas shaded on the map will be marked by buoys and are strictly out of bounds to all windsurfers.

**PLEASE OBSERVE THE WINTER BIRD
