### FUN DAY REPORT 4th September

The smiles say it all.... another lovely day on the club beach, very warm and sunny as predicted! SE F2/3 winds fueled some excellent relay racing on the Fanatic Vipers. Ben's team (slightly heavier weights) vs Gareth's team. Neck and neck most of the way with Ben's team pulling through in the end despite having the penalty of a smaller board and sail. Then into the freestyle competition judged by Chairman Dave Black and former UK Freestyle Champion Ben.

Lunch was to the usual high standards, thanks to Wendy. Three races off 'the point' in the afternoon topped off a typical social HWC fun day. Tony West wrapped his sail on the post to the amusement of all and Lisa's laughter and race tactics almost brought the race to a standstill! Best parrot category, upwind 360s, best beginner, together with mens, ladies and childrens race winners – all amounted to some inventive judging and prizes all-round. Thanks to all, see you next year! (Martin H)

Big G to the rescue 'Bay Watch' style.
