

## SKILLS TRAINING DAY (17th July)

A good turn out of club members with varying degrees of windsurfing ability were treated to detailed instruction in virtually anything the individuals requested. Gareth was assisted by Martin who was eager to practice his new found skills as a Start Windsurfing Instructor on his unsuspecting beginners. Martin is hidden in the background using a 'real' sail. Gareth may hold another skills day in September this year so watch the web site for details.

*Now for the biggest social event of the year and it's not to be missed. All members are welcome whether you sail or not so make it a date and meet your fellow club mates for the Annual...*
